Our Commitment

We promise as a rescue that your kitten will be adopted in the best possible condition, unless otherwise disclosed. Each kitten leaves us fixed, vaccinated with age appropriate vaccines (i.e. FVRCP), tested for FVLV/FIV, and microchipped. Your kitten will also come with a kitten care package which includes their current food (wet and dry), favorite toys and blankets, and complete medical records. All our kittens are socialized within our home, with strangers, other cats, and dogs, to be as well rounded as possible. If you have any further questions or concerns, please feel free to email us at MiniCatTown@gmail.com .

Thank you for your interest in our kittens!
